BRIGHT COFFEE SHOP

GATHERING OF HOTNESS

AGENDA

1. INTRODUCTION
2. INSIGHT
3. RECOMMENDATIONS
4. Q&A

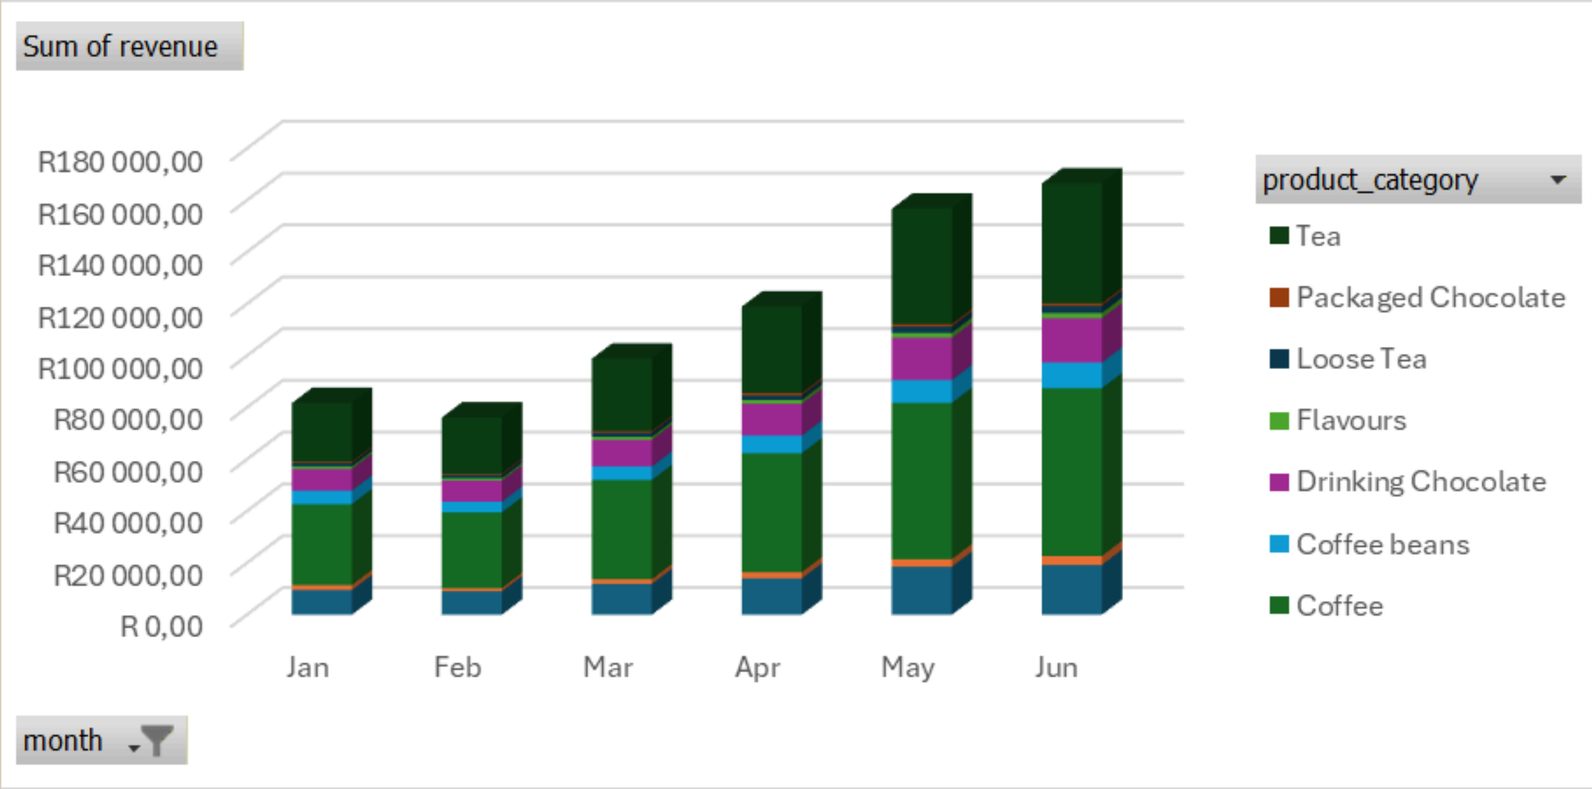
that first sip can feel like the universe giving you a warm hug and a pep talk at the same time.

INTRODUCTION

we have analyzed the past sales data to recognize top performing products, best times to sell and possible future opportunities for revenue growth.

INSIGHTS

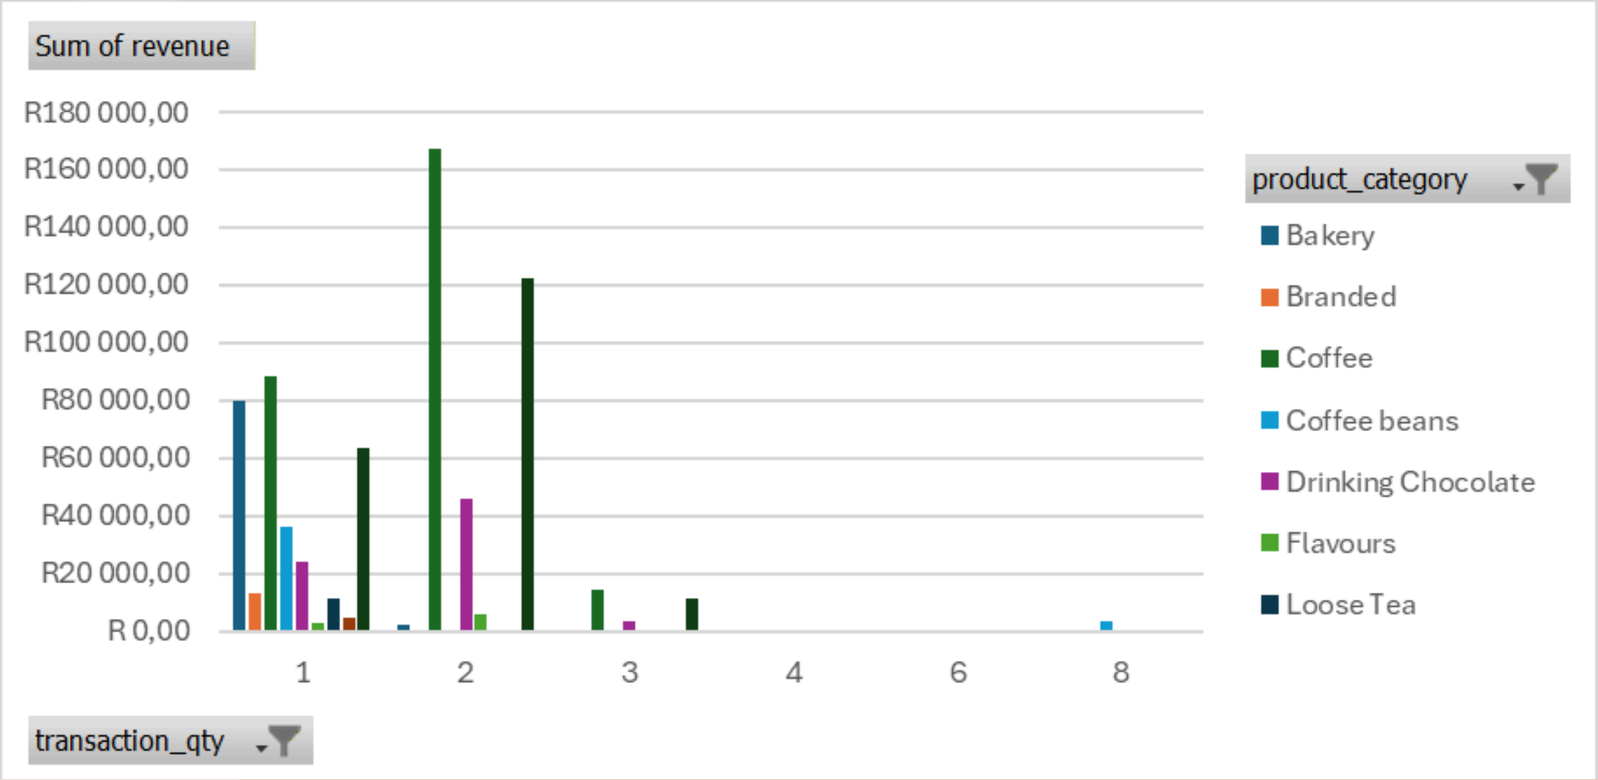
REVENUE PER MONTH AND PRODUCT



The graph is a representation of total revenue per month for each product category, We can see the increase of revenue as the months get colder.

INSIGHT

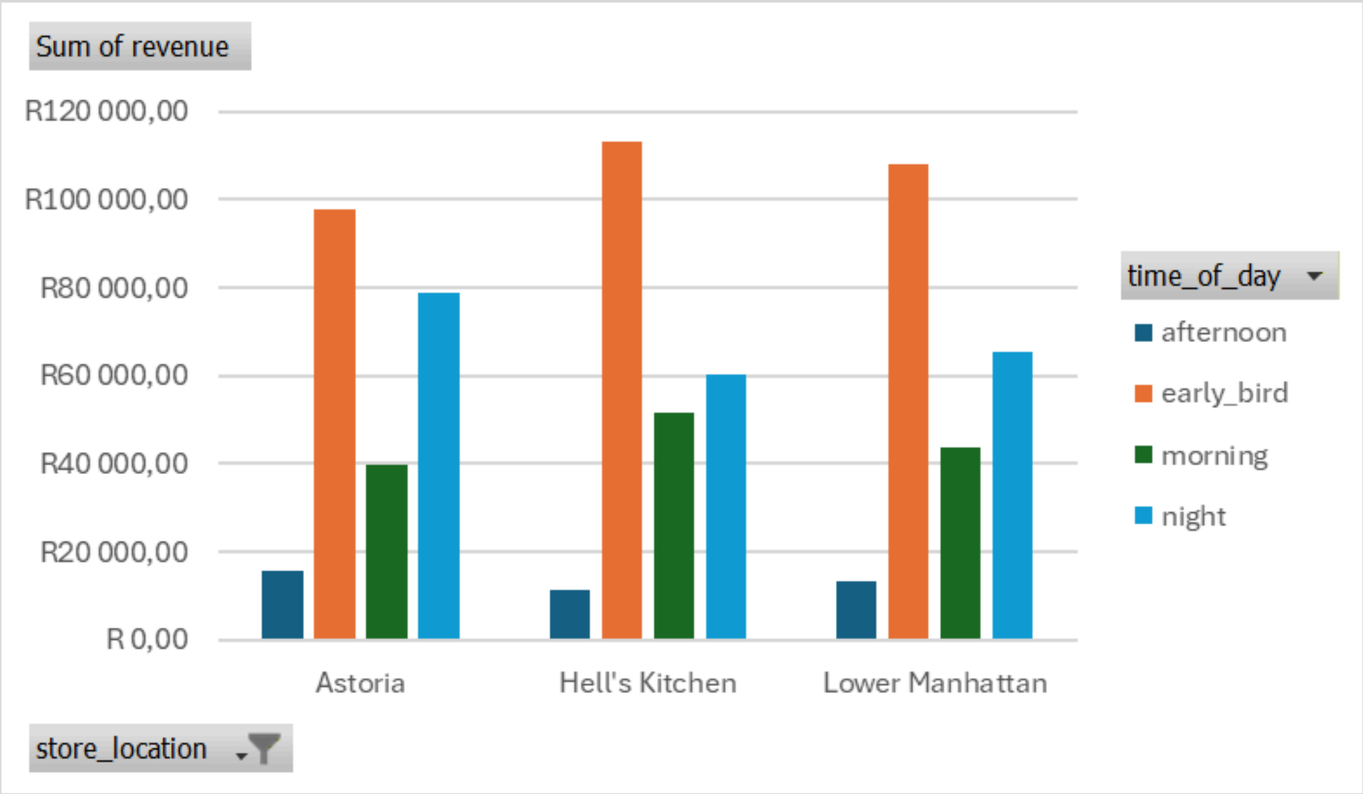
TRANSACTION QTY PER PRODUCT CATEGORY



From this information we can see that coffee is generating most revenue followed by tea across all months, which can be used to strategize for promotions.

INSIGHT

TIME OF DAY PER LOCATION



The best time is in the morning rush, which means mbetter revenue

RECOMMENDATIONS

Based on the product performance, we can conclude that Bright coffee needs to introduce combos of best performing products for better revenue. Have discounts on the low performing products on slow moving times and days to attract more customers. Keep medium to high inventories on top selling products during peak hours.

QUESTIONS AND ANSWERS

we will open for questions.
Thank you.
